### TEACHING REQUIREMENTS

#### *Nanjing No. 1 Middle School*

Senior 1 classes are based upon the FEC program (Cambridge books 3 & 4). Senior 2 students are taught IELTS (Insight into IELTS & Insight into IELTS Extra). Generally, Senior 1 students receive 5 lessons per week (40 minutes per lesson), whilst Senior 2 receive 6 lessons. However, these FEC lessons are often delivered back to back, meaning that teachers may only see the students 2-3 times a week. As the WITT team usually consists of six FEC teachers at this school, some staff teach only one grade, whilst others teach both Senior 1 and 2. Class sizes range between 24-28 students.

#### *Non FEC Outside Schools*

In addition to this main school, WITT teachers also teach to a number of associated outside schools. The level of English language varies greatly between these schools as the classes range from junior to Senior 1. The focus is entirely on spoken English in these outside schools. No assessment is required at these outside schools.

#### *Student Profile*

Generally speaking, all students in the FEC program at Nanjing No. 1 Middle School are extremely motivated and conscientious. Classroom management issues are a rarity, as students take their academic progress seriously.

## ACCOMMODATIONS AND FACILITIES

### *Teacher Housing*

The Nanjing No. 1 Middle School accommodations are located across the street from the school. There is one one-bedroom and three two-bedroom apartments for the six teachers. The accommodations are a mix of shared and private. Each apartment is different, but all are furnished with basic amenities including washers, heating appliances, dishes, linens, and internet. Utilities are all paid by the school.

Nanjing No. 1 Middle School housing is located in a traditional Chinese community near the heart of downtown Nanjing. At the doorstep are numerous small shops, a grocery store, and the recently built subway line. A 15 minute walk will bring you to the city's central shopping area.

### *Staffroom Facilities*

The FEC staffroom is equipped with two well functioning computers and one printer. The office is fitted with six teacher working tables and plentiful storage space for teaching resources. FEC classes are held in regular classrooms, with equipment to operate audio cassettes, CDs, VCDs and DVDs .
